Name	English for Business and Economics
Hours per week	2
Credit Value	2
ECTS	3
Level/Year	English Prep.
Type	Compulsory
Prerequisite	PREPR100
Description	<p>The aim of this course is to introduce students to the world of business, finance, and economics in English. All work is based on what students already know (in their first language) about how people function in the world of money. By the end of this course, students will be well-prepared to study Business Administration or Economics at the faculty level.</p>
Objectives	<ul style="list-style-type: none"> <li>- Developing learners' knowledge and use of vocabulary, both vocabulary in general and key vocabulary in business, finance, and economics in particular.</li> <li>- Improving student reading skills by exposing them to level-appropriate materials written in English.</li> <li>- Improving student speaking skills by means of activities based on the target vocabulary.</li> <li>- Teaching students to learn more about the world of business, finance, and economics in English in a more autonomous manner.</li> </ul>
<p>By the end of this course, students will be able to:</p> <p>LO1 demonstrate comprehension and use of fundamental vocabulary related to business, finance, and economics,</p> <p>LO2 read short, non-academic, level-appropriate texts written in English,</p> <p>LO3 talk about course themes and take part in class discussions,</p>	
Learning Outcomes	<p>LO4 embark on further studies in business, finance, and economics with less teacher direction.</p>
